

## Good For Your Customers

Our consulting practice can professionally evaluate the working environment and recommend the best PACS-RIS Solutions and technology practices for their medical facility. They get they assurance of products that are comprehensive, hospital and time tested, HIPAA compliant and FDA approved. Currently in use in many hospitals and diagnostic centers, our products offer rock-solid dependability thru redundant software and hardware technologies. These systems offer virtually 100% uptime as validated thru our many references.

## And Good For You

At PCCG we want to be your customer's complete source for all their initial set up and ongoing PACS-RIS needs for their facility. For that reason, we've developed a commission plan to reward you for your time and effort in recommending our products and services to your customers.

## Superior Service and Quality

We guarantee an expert consultation that can provide a wide range of system configurations at competitive prices. PCCG has established an outstanding reputation for superior product and timely professional service. We are committed to the growth and success of our clients.

## PC Consultant Group, Inc.

In business since 1989, PCCG specializes in meeting the PACS-RIS imaging and communication needs of the Medical Radiology industry. We offer a complete line of PACS-RIS hardware, software, communications and service products.

## No Conflict of Interest!

Our products do not conflict with the products you sell and supply.

Most of your clients will buy a PACS-RIS system in the future. There is no loss on your part to refer our products and services only an opportunity to gain \$\$!

Someone will make the sales commission and referral fee for the purchase of your client's PACS-RIS!

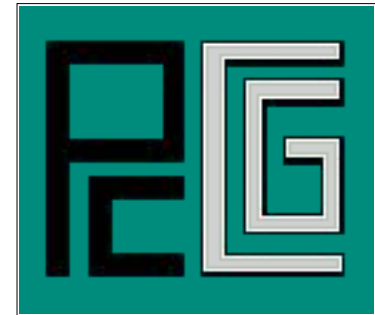

Do you want it to be you or someone else?

## The PACS Referral “Extra Dollars” Program

## “Extra Dollars” Program

Our referral program is the easy way to make sure your customers get the PACS-RIS systems they need to reach maximum productivity and efficiency. That kind of value-added service means more satisfied customers, better customer relations and higher recommendations for you! Put the PCCG reputation for quality and service to work for you, with the PACS Referral Program. They are going to buy their PACS-RIS solutions from someone. It should be from a company whom can offer the products and services and quality you can recommend. Not to mention you can profit from the referral as well.

### We'll Make The Call, You Get the Credit

You provide the sales lead. We do the rest. Make the call, send the materials and follow up to get the sale.

We will let you know the outcome of the call, and you'll receive a 5% commission on the total invoice. This commission applies to all PACS-RIS sales for the first year of the lead. Since we keep track of your referrals, you are assured of getting credit every time we serve these customers.
